

technology_node

```
graph BT; functional_unit[functional_unit] --> technology_node[technology_node]
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'technology_node'. The bottom box is gray with a black border and contains the text 'functional_unit'. A blue arrow points vertically from the top center of the 'functional_unit' box to the bottom center of the 'technology_node' box.
