

IC_device::initialize

```
graph LR; A[IC_device::initialize] --> B[target_device::has_parameter]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'IC_device::initialize'. The right box is white and contains the text 'target_device::has_parameter' on two lines. A dark blue arrow points from the right side of the gray box to the left side of the white box.
