

`gimple_cond::visit`

```
graph LR; A[gimple_cond::visit] --> B[gimple_call::visit]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text `gimple_cond::visit`. The right box is white and contains the text `gimple_call::visit`. A dark blue arrow points from the right side of the gray box to the left side of the white box.
