

signal_o::find_member

```
graph LR; A[signal_o::find_member] --> B[structural_object::get_kind_text]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'signal_o::find_member'. The right box is white and contains the text 'structural_object::get_kind_text'. A blue arrow points from the right side of the gray box to the left side of the white box.
