

port_o::get_lsb

```
graph LR; A[port_o::get_lsb] --> B[structural_type_descriptor::print];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'port_o::get_lsb'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'structural_type_descriptor' on the top line and '::print' on the bottom line.
