

technology\_node::get  
\_kind\_text

operation::xwrite

```
graph LR; A[operation::xwrite] --> B[technology_node::get_kind_text]
```

A diagram showing a call from the `operation::xwrite` function to the `technology_node::get_kind_text` function. A blue arrow points from the `operation::xwrite` box on the right to the `technology_node::get_kind_text` box on the left.
