

```
std::binary_function  
< vertex, vertex, bool >
```

A diagram illustrating a relationship between two C++ types. At the bottom is a light gray box with a black border containing the text `bb_vertex_order_by_map`. A red arrow points vertically upwards from the top center of this box to the bottom center of a white box with a gray border above it. The white box contains the text `std::binary_function` followed by `< vertex, vertex, bool >` on the next line.

```
bb_vertex_order_by_map
```
