

tree\_manipulation::  
bb\_add\_successors

```
graph LR; A["tree_manipulation::  
bb_add_successors"] --> B["tree_manipulation::  
bb_add_successor"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'tree\_manipulation::' followed by 'bb\_add\_successors' on the next line. The right box is white with a black border and contains the text 'tree\_manipulation::' followed by 'bb\_add\_successor' on the next line. A dark blue arrow points from the right side of the left box to the left side of the right box.
