

xml_command_t::checkCondition

```
graph LR; A["xml_command_t::checkCondition"] --> B["xml_script_node_t::evaluate_condition"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'xml_command_t::checkCondition'. The right box is white with a black border and contains the text 'xml_script_node_t::evaluate_condition' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.
