

BB_based_stg::compute
_EPP_edge_increments

```
graph LR; A[BB_based_stg::InternalExec] --> B[BB_based_stg::compute_EPP_edge_increments];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'BB_based_stg::compute_EPP_edge_increments'. The box on the right is white with a black border and contains the text 'BB_based_stg::InternalExec'. A dark blue arrow points from the right side of the white box to the left side of the gray box.

BB_based_stg::InternalExec
