Translator::Translator

```
graph LR; A[Translator::Translator] --> B[Translator::write_to_csv]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'Translator::write\_to\_csv'. The box on the right is white and contains the text 'Translator::Translator'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a call or relationship from the class to the method.
