

vcd_trace_head::more
_executions_in_this_hw_state

vcd_utility::Exec

```
graph LR; A[vcd_utility::Exec] --> B[vcd_trace_head::more_executions_in_this_hw_state];
```

A diagram showing a call from `vcd_utility::Exec` to `vcd_trace_head::more_executions_in_this_hw_state`. The call is represented by a blue arrow pointing from the `vcd_utility::Exec` box to the `vcd_trace_head::more_executions_in_this_hw_state` box.
