

bipartite\_matching  
\_clique\_covering::add\_edge

```
graph LR; A["bipartite_matching  
_clique_covering::add_edge"] --> B["max"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'bipartite\_matching' on the first line and '\_clique\_covering::add\_edge' on the second line. The right box is white with a black border and contains the text 'max'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
