

ogzstream::open

```
graph LR; A[ogzstream::open] --> B[gzstreambase::open]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'ogzstream::open'. The right box is white with a black border and contains the text 'gzstreambase::open'. A blue arrow points from the right side of the gray box to the left side of the white box.
