

structural_object

```
graph BT; event_o[event_o] --> structural_object[structural_object];
```

A diagram illustrating a relationship between two objects. At the top is a white rectangular box with a black border containing the text "structural_object". Below it is a gray rectangular box with a black border containing the text "event_o". A blue arrow points vertically from the top of the "event_o" box to the bottom of the "structural_object" box, indicating that "event_o" inherits from or is a specialization of "structural_object".

event_o
