

module_binding_check
_no_filter::getOpSlack

```
graph LR; A["module_binding_check_no_filter::getOpSlack"] --> B["max"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'module_binding_check' on the first line and '_no_filter::getOpSlack' on the second line. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text 'max'.
