

functional\_unit::print

```
graph LR; A[functional_unit::print] --> B[area_model::get_area_value]
```

A diagram illustrating a function call. On the left, a gray rectangular box with a black border contains the text 'functional\_unit::print'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right. This second box contains the text 'area\_model::get\_area\_value'.

area\_model::get\_area  
\_value
