

DesignCompilerWrapper
::set_top_module

```
graph LR; A[DesignCompilerWrapper::set_top_module] --> B[top]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'DesignCompilerWrapper' on the top line and '::set_top_module' on the bottom line. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text 'top'.
