

structural_manager
::WriteDot

```
graph LR; A[classic_datapath::InternalExec] --> B[structural_manager::WriteDot];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'structural_manager' on the top line and '::WriteDot' on the bottom line. The box on the right is white with a black border and contains the text 'classic_datapath::InternalExec'. A dark blue arrow points from the right side of the white box to the left side of the gray box.

classic_datapath::InternalExec
