

time_model::set_synthesis
_dependent

operation::xload

```
graph LR; A[operation::xload] --> B[time_model::set_synthesis_dependent]
```

The diagram illustrates a function call. A box on the right labeled 'operation::xload' has a blue arrow pointing to a box on the left labeled 'time_model::set_synthesis_dependent'. The left box has a light gray background, while the right box has a white background. Both boxes have a black border.
