

```
std::hash< refcount  
< T > >::operator()
```

```
graph LR; A["std::hash< refcount< T > >::operator()"] --> B["refcount::get"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'std::hash< refcount< T > >::operator()'. The right box is white and contains the text 'refcount::get'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

```
refcount::get
```
