

xml_script_node_t

```
graph BT; A[xml_ite_block_t] --> B[xml_script_node_t];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'xml_script_node_t'. The bottom box is gray with a black border and contains the text 'xml_ite_block_t'. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating an inheritance or specialization relationship.
