

add_library::add_library

```
graph LR; A[add_library::add_library] --> B[add_library::~~add_library]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a gray fill and a black border, containing the text 'add_library::add_library'. The right box has a white fill and a black border, containing the text 'add_library::~~add_library'. A blue arrow points from the right side of the left box to the left side of the right box.

add_library::~~add_library
