

```
controller_cs::add  
_selector_register_file_port
```

```
graph LR; A[controller_cs::add_common_ports] --> B[controller_cs::add_selector_register_file_port]
```

A diagram showing a call from `controller_cs::add_common_ports` to `controller_cs::add_selector_register_file_port`. The call is represented by a blue arrow pointing from the right box to the left box. The left box is shaded gray, and the right box is white.

```
controller_cs::add  
_common_ports
```
