

remove_port_connection

```
graph LR; A[remove_port_connection] --> B[structural_manager::remove_connection]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'remove_port_connection'. The right box is white with a black border and contains the text 'structural_manager::remove_connection'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
